All:

Here is the template to be used for the 2017 Appropriations Hearings Fact sheets. We are still digging up the member names for you as there are several committees involved; First House, then Senate a bit later.

As we discussed in Senior Staff, we have 4 issues to add to the two already identified:

Camp Minden

Tar Creek

Grants Mining (added)

San Jacinto (added)

WIPP (added)

SO2 designations (added)

Please provide the “added” fact sheets using the attached template to Cary Martindale by the end of the day. Remember these should be brief.

Thank you.

Sending the template in Word. I'm also sending out to the SBOs and Regional Comptrollers in case you didn't receive it from the Formulation Team.
